Parti du Travail de Belgique
Workers' Party of Belgium

To the Central Committee of the Communist Party of Greece (KKE)
To Comrade Dimitris Koutsoumpas, General Secretary

Dear Comrades,

We wholeheartedly congratulate the Communist Party of Greece (KKE) on the occasion of its 95th founding anniversary.

Throughout its long history, the KKE has remained steadfast in waging class struggle and promoting socialism as the only alternative to the misery, crisis and war brought about by capitalism. Over the years, the KKE has led the Greek workers and broad masses in their fight for democracy, social progress, peace and socialism, including in the armed resistance against fascism and foreign occupation.

Thanks to its firmness on Marxist-Leninist principles, the KKE has been able to withstand multiple attacks and to weather various storms, both in Greece itself and in the broader international arena, particularly upon the victory of counterrevolution in the former Soviet Union. It has been of major importance that the KKE exerted all efforts to regroup the international communist movement and held high the banner of proletarian internationalism.

The Workers' Party of Belgium (PTB) wishes the Communist Party of Greece (KKE) success in the many tasks and duties ahead in the class struggle.

With comradely greetings,

Peter Mertens
Chairman
Workers' Party of Belgium (PTB)
